World Felix
April 30-May 14

Opening reception: Saturday, April 30 4:00PM
Open hour: Sunday afternoons 1:30-2:30PM
Email to make an appointment outside of these times.

Paid is pleased to announce the opening of *World Felix*, the first irl exhibition of works by focus. We don't know much about focus, but have been privileged to consume their generous and infrequent media drops over the course of the past four or five years. focus drops are events that produce powerful echoes, and we feel honored to facilitate their continuation in a physical form.
